January 30, 2020

Attending: Tom, David G, David K, Uros S, Mario

Regrets: Alan B, Romain, Pål, Sven

Agenda:
1. Task review
2. Any further feedback on [FIR - Extending Sharing Procedures](#).
3. Further review of [procedures in AARC DNA3.2 paper](#).
4. Next steps for improving the [AARC DNA3.2 paper](#).
5. AOB

Discussion touched on the modes of communication, specifically on how to establish a channel and how secure that channel can be. Also, whom to contact, as it seems that the initial contact (the right person) is not always clear. Guidance on what should the feedback entail would be useful, especially how to gather the necessary info (at least initial info).
