Attending: Tom B, Romain, Pål, Hannah, David G, Daniel K, Shannon R, Sven G, Marina A, Laura P

Agenda:

1. Marina and Romain worked on a revised document, [eduGAIN Security Incident Response Handbook](#). They will lead us through a review of the new doc.
 - a. Verify that the revised doc replaces the one the WG previously was reviewing, [eduGAIN Security Incident Response Communication Workflow](#).
2. Compare/contrast [ir_flowchart-1.pdf](#) with the checklist at the bottom of [eduGAIN Security Incident Response Handbook](#). Pick one over the other, merge somehow, or another alternative?
3. AOB

WG members engaged in a lively discussion of the first portion of the [eduGAIN Security Incident Response Handbook](#) and achieved consensus on some basics such as when these procedures are triggered. Many changes were made to the doc during the call. So, a successful effort by Marina and Romain!

WG members should review the rest of the doc before our next call in 2 weeks.
