October 22, 2020

Attending: Tom B, Dave K, Daniel K, Uros S, Brett B, Sven G, Hannah S, David C, Shannon R

Regrets: Alan B, Romain W

Agenda:

1. Continue digesting feedback gathered in the consultation and draft initial WG responses
 - a. All substantive feedback is gathered in the [Consultation response gsheet](#), which is where we'll put our draft responses
 - b. Line numbers refer to the [PDF version](#).
 - c. Many editorial comments were made directly in the [IR Handbook](#)
2. AOB

WG members completed discussion of the remaining Consultation feedback items and arrived at consensus on their disposition. Those are noted in the [Consultation response gsheet](#) and partially reflected in the [IR Handbook](#) itself.

Tom will polish up the shorthand-like language in the gsheet and revise the IR Handbook in accord with the WG's decisions. The WG will review this work at the next meeting, and if that looks good Tom will update the official [IR Handbook Consultation](#) feedback matrix with feedback entered into the IR Handbook gdoc, as reflected in the Consultation response gsheet, and with the WG's Action/Decision in each case.
