1. The REFEDS Steering Committee unanimously approved Sirtfi v2.
2. Review and suggest changes to guidance docs, especially by going through the To Do Lists for Guidance Docs. Make updates to the To Do Lists as appropriate.

WG members reviewed the introductory slides and found them ok. They then started on the FAQs, from the top. A few changes were suggested and implemented. The group got through [OS5] in the "Questions on Sirtfi Assertions" section. We'll pick it up there next time.
