

International Data protection Code of Conduct

Goal

Extend [Data protection CoCo](#) to allow release of attributes to countries outside the EU/EEA.

This work stream is now merged with [Data Protection Code of Conduct 2.0](#).

Working documents and discussion

- last draft: [DLA Piper draft](#) (14 Apr 2014, for discussion purposes only)
- [Staging Service](#) for the international CoCo
- [previous drafts and discussion](#)

Events

- Webinar 17th Feb 2014 ([slides](#), [stream](#))
