Scott Cantor

Notes
- Review draft and PHP demo site (See the change log for updates made to the spec)
  - PHP-site up for the errorURL: https://ladok3.its.umu.se/errorurl-demo/
  - The code is at https://github.com/fredrikdomeij/errorurl-demo
  - Both the reference implementation and the spec are now aligned
- Next steps
  - Community consultation - will kick that off on 14 April and run for 30 days
  - Next call 14 May 2020
