Schema Editorial Board Notes, 9 September 2020

Attendees

- Miroslav Milinovi
- David St Pierre Bantz
- Alan Buxey
- Heather Flanagan
- Benjamin Oshrin
- Keith Hazelton
- Mario Reale
- Terry Smith

Regrets

Notes

1. Agenda bash
2. Entity Category consultations
   a. Authentication Only profile - several comments noted that this is an anti-pattern for an entity category. The schema board will put this aside for now and consider the other two entity categories in more detail.
   b. Anonymous Authorization - Notes are on the consultation page.
