

GEANT CoCo 2.0 draft version July 2018

GEANT Data Protection Code of Conduct version 2.0, third draft (published 16 July 2018)

- **clean version** ([pdf](#))
- track changes after the second draft published in January 2018 ([pdf](#))
- [resolutions of the comments](#) provided on the second draft and adopted in the third draft

Some key changes after the public consultation of January-February:

- added a new section on Attribute providers
- refined governing law and jurisdiction to better serve international organisations
- refined the section on Monitoring bodies
- dropped the requirements on the IdP-side INFORM GUI because the CoCo is for Service Providers
- simplified language when possible
- separated a Service from a Service Provider Organisation which may manage several Services

If you have still comments on the CoCo, send them by e-mail to mikael.linden@csc.fi **before 15th September 2018**.
