

2015 REFEDS Survey: REFEDS Engagement

The following questions were asked regarding federation engagement with REFEDS:

Organisation	Federation	Have you used REFEDS resources?	Which resources?	What should REFEDS focus on in the future?
AAF - Australian Access Federation	Australian Access Federation (AAF)	Yes	Discovery Guide, List of Federations	A stronger focus on service delivery models. Multi protocol federation - OpenID Connect, new attributes eg orcid and sub committees / increased focus for emerging federations vs the well-established
AAI@EduHr	AAI@EduHr	Yes	specs & guides	Standards & harmonisation; metering & monitoring; business continuity
ACOnet	eduID.at	Yes	Probably all of them :) Mailing lists, website, wiki, meetings, discovery guide, templates, entity categories, MET, etc.	
AMRES	iAMRES	Yes	REFEDS wiki	
ARNES	ArnesAAI Slovenska izobraÅ%evalno raziskovalna federacija	Yes	Information about entity categories	Non-web applications
Belnet	Belnet R&E Federation	Yes	meetings, wiki, web sites from colleague's NREN	
CANARIE	Canadian Access Federation	Yes	Met tool, the policy analysis by Nicole, the wiki	
CESNET	eduID.cz	No	n/a	R&E entity category definition if possible. Lukas HÅmmerle is quite active in this area to support CLARIN needs with "academic" users, etc.
DFN	DFN-AAI	Yes	wiki and meetings	LoA, of course ;-); developing a controlled vocabulary for eduPersonAssurance
EENet	TAAT			
Funet	Haka	Yes	Meetings, Schac schema	Schac schema, common self service registry software to administer (inter/con) federation metadata and crm
GARR	IDEM	No answer		
HEAnet	Edugate	Yes	mailing list and wiki	Outreach to large international research orgs and orgs like ORCID
Internet2	InCommon	Yes	wiki, mailing list	metadata validation
Janet (UK)	UK Access Management Federation	Yes	Discovery Guide, DP CoC & R&S entity categories, MET.	Harmonisation of operational practices and attribute exchange.
KREONET	KREONET Access Federation	No	n/a	Not yet
LITNET	LITNET FEDI	Yes	wiki, discovery guide	-
NII	GakuNin	Yes	meetings	Unified/effective procedure for key roll over on international SP sites
NIIF /HUNGARNET	HREF / eduID.hu ; not a formal body, thus no formal name	Yes	entity categories; mailing lists	
RedIRIS	SIR	Yes	Wiki, mailing lists	Same work addressed now
RENATER	Federation Education Recherche	Yes	Best practices	federation practices benchmarking
REUNA	COFRe	Yes	Web, wiki, reports and mailing list	Follow the evolution of federation in Latin America beyond Brazil, maybe produce material with different experiences of federations in Europe
RNP	Comunidade AcadÃmica Federada (CAFe)	Yes	Wiki, meetings, mailing lists.	REFEDS should have regional chapters. It may help to disseminate federation fundamentals regionally. Moreover, REFEDS could promote the development and standardization of a system of statistics that could be used by the federations to quantify their use.
SUNET	SWAMID	Yes	We try to attend to REFEDS meetings and encourage use of the REFED mail list	

SURFnet	SURFconext	Yes	Mailing list, FOG list, meetings	eduGAIN, attribute harmonisation, non-web and SAML
SWITCH	SWITCHaai	Yes	Meetings, R & S Entity Category, MET
