✓ Heather Flanagan the Idap schema for SCHAC 1.5 is outdated for links; need to make it match the PDF		Heather Flanagan	Schema Editorial Board Notes, 10 February 2022
✓ Heather Flanagan will draft a definition for experimental and send it to the schema board for discussion; when this is approved by the schema board, we'll take it to the community and suggest we'll be experimenting with the experimental tag on the eduPersonAnalyticsTag proposed attribute		Heather Flanagan	Schema Editorial Board Notes, 24 May 2021
✓ Terry Smith will talk to edugain-steering to see about getting the need for migration of ePTID on their agenda		Terry Smith	Schema Editorial Board Notes, 21 April 2021
✓ Terry Smith to follow up with TF-IAM to encourage newer federations to respond as well, including an option to just say they don't use it and/or don't know about it		Terry Smith	Schema Editorial Board Notes, 10 March 2021
✓ Heather Flanagan to add a SCHAC update to the Schema Board work plan		Heather Flanagan	Schema Editorial Board Notes, 10 March 2021
✓ Heather Flanagan to pull together a final report from the SCHAC survey, after another reminder to people to fill out the survey		Heather Flanagan	Schema Editorial Board Notes, 10 March 2021
✓ Keith Hazelton will continue to work on the REFEDS/TAP attribute dictionary based on additional schema (SCHAC, voPerson, remainder of eduPerson)		Keith Hazelton	Schema Editorial Board Notes, 15 February 2021
✓ Benjamin Oshrin will send out an update to the schema-discuss list re: the REFEDS/TAP attribute dictionary		Benjamin Oshrin	Schema Editorial Board Notes, 15 February 2021

✓ Heather Flanagan will send out a poll to determine what SCHAC attributes are commonly used in case any others need to be deprecated, and whether the currently experimental attributes need to be moved to fully supported	Heather Flanagan	Schema Editorial Board Notes, 15 February 2021
✓ Benjamin Oshrin will reach out to the owner of the current OID space for the ssh ldap public key schema and work on getting this transitioned to Schema Board management.	Benjamin Oshrin	Schema Editorial Board Notes, 8 October 2020
✓ Benjamin Oshrin and Keith Hazelton to update the Splitting Protocols document to describe the proposal in more detail, explaining the ramifications of the potential changes in more detail, and then sharing that with the community before we start work on eduPerson itself	Benjamin Oshrin	Schema Editorial Board Notes, 8 October 2020
✓ Miroslav Milinovi to report back on progress of 6338bis	Miroslav Milinovi	Schema Editorial Board Notes, 9 July 2020
